Invitation

Dear friend of model-submarines,

the „Association of Model-Submariners Austria“
will celebrate on

16th and 17th September 2017, the „11th international Subregatta“ in Neulengbach / Austria

With this letter we'd like to invite you to this event.

For this time we also have planned a lot of interesting things to insure you that your stay in Neulengbach, mainly at the regatta, will be as pleasant as possible.

For the regatta we have prepared some highlights, too. We arranged submarining at night with fog and a lightshow on the water, accompanied by music.

Highlights of this regatta will be performances for visitors, kids-Boating and a Building competition of submarines appraised by the audience. Also a dinner with all participants with homelike social gathering will be a part of the program. Last but not least for all participants certificates and nice souvenirs are prepared for you.

On both days we want to feel free for happy boating, without any “must do” and without any restraints.

Exact informations like a room-list, a time-schedule and an approaching-plan, are included in this letter.

This year we also celebrate our 20th anniversary of “Subregatta Neulengbach”, the first event took place in 1997. We would like to celebrate this festival with you and would be very proud to welcome you in Neulengbach!

We remain with best Regards, Yours
